Richard Ray is a Battalion Chief for the City of Durham (NC) Fire Dept. He has garnered over 32 years of valuable experience in both volunteer and career departments. He has been fortunate enough to instruct on a national level, to contribute regularly to Fire Engineering, and is a member of the FDIC International Advisory Board as well as a tech panel member for the esteemed UL FSRI.

He instructs at the national level and writes for Fire Engineering Magazine. He has presented classes at FDIC, Firehouse World, SAFRE, SC Fire Rescue Conference, Virginia Fire Rescue Conference, Metro Atlanta Fire Conference to name a few.

He serves as a member of the FDIC International and the South Atlantic Fire Rescue Expo (SAFRE) conference educational advisory boards.

He is a member of the UL FSRI Residential Home Size Up, Search & Rescue and the Multi-Story Residential Tactics Technical Panel.

He is a third-generation volunteer firefighter with the Creedmoor Vol Fire Dept where he serves as a firefighter.

He was the Academy Coordinator for the Durham Tech Fire Academy.

2024 IAPFC Professional Development Day Tuesday, October 1, 2024 Richard Ray

This Class will:

Focus on the initial actions of first arriving crews and the tactics needed to address fire attack, the search, and the supporting fireground tasks at house fires.

Student will learn tactics that will help increase their effectiveness for fire attack and search.
